

Write a soap

Australian TV soap operas are famous around the world. One of the most popular is *Home and Away*, produced in Sydney by the Seven Network. In the United Kingdom the show is broadcast twice every weekday on Five. The soap tells the stories of the inhabitants of a fictional small coastal town in New South Wales called Summer Bay.

All the photographs on these pages are from *Home and Away*. Choose a picture and write a short dialogue for the scene using some of the Australian words and expressions you have learnt. Perform the scene for the rest of the class. Can the other students in the class identify the picture you chose?
