

Welcome to My World

Hi! Welcome to my world.

My name is

I live in

I was born on

and my star sign is

● **Here's some more information about me:**

I like

I hate

My best friends are

I collect

I'm scared of

For breakfast I have

My most precious possession is

The person who annoys me most in the whole world is

If I were an animal, I'd be

My best friend would describe me as

If I could change my name, it would be

I can't resist

The most important world issue today is

My life would be meaningless without

● **My number one of (almost) everything:**

TV show

movie

actor

actress

music group/artist

food

sports team/person

● **My message to the world:**

Now write a message the people who come to visit your home page.

Go online.

You're now ready to create your home page on the Internet. Go to www.its-myworld.com and follow the instructions. You can then:

- create your own home page
- communicate with other students
- write about your city
- create an unofficial fan page
- talk about your life
- explore the Net with your own virtual passport
